LADDER SYSTEM

This versatile system provides for wall / perimeter display as well as center / floor racking. Available in black, the system consists of basic units and accessory components that combine to meet your store's specific needs.

- E9301 Center Floor Unit BY SPECIAL ORDER
- E9305 Double Wall Unit BY SPECIAL ORDER

Additional unit configurations are available.

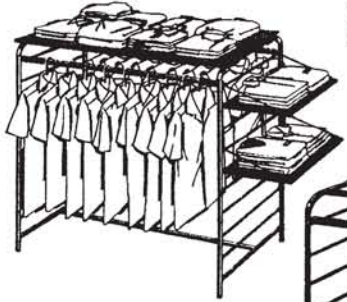

TRAC 2000 WALL SYSTEM

This perimeter display system eliminates the need to fix individual vertical standards to a wall surface. 8' long horizontal track is the only component attached to the wall - vertical standards are then bolted to the track. It's quick and easy to add, remove or relocate standards whenever necessary. Wall tracks are white (paintable). Upright standards available in matte white or matte black.
